

ALLOCATIONS POLICY GOVERNING TRADING OPPORTUNITIES AND PERMITS TO INFORMAL TRADERS ON COUNCIL OWNED PROPERTIES

1. Introduction

2.2 Only people at the entry level of business will be allowed.

2.3 Council will promote progression of traders to more valuable sites, and ultimately into formal markets by providing a range of opportunities to develop people and their businesses over a limited period after which if the trader needs to utilise the same site, he would have re-apply for it. The Department must prepare an agreement for trading on Council property, in order for traders to sign the same when allocation of site is undertaken between the Council and the traders.

2.4 Application for the transfer of sites within / household family (next of kin) in a case where the owner is in critical condition, ill, death, or disability will be forwarded to Council for consideration. (Viewed in terms of the trader if special circumstances apply.)

2.5 Review the history of the area to find -out if there are some implications in terms of allocations which should be weighted differently from the normal agreed upon criteria or if the traditional criteria should applied.
