

ENTREPRENEURIAL OPPORTUNITY IN THE WOODWORKING INDUSTRY

The eThekweni Municipality's Economic Development & Investment Promotion Unit and the Skills Development Unit in partnership with the Furniture Technology Centre Trust (Furntech) offers support to existing and start-up businesses by providing incubation facilities as well as accredited skills training for aspiring entrepreneurs with a passion for woodwork and furniture manufacturing. We invite everyone who has started their woodworking or upholstery business to attend an INFORMATION SESSION.

Venue: eNkanyisweni Community Hall, Section F - KwaMashu

Date: 26 March 2015

Time: 09h30 - 12h00

REQUIREMENTS FOR THE PROGRAMME

Essential: Existing furniture related business (registered or unregistered); minimum grade 10 qualification; must be able to communicate in English; currently self-employed; must not have benefited from a similar developmental programme; must reside within eThekweni Municipal Area; must be able to travel to PINK area at own expense.

Preferred: Operational furniture business (registered and unregistered in operation for at least 1 year); must be based in the PINK area or able to travel to the PINK area at own expense (the training and the incubation facility is based in the PINK area)

The presentation will be in English and is strictly directed at people who have their own businesses in making furniture, built-in cupboards, kitchens, upholstery etc.
This invitation does not serve as a job or training offer.
