

ILO SOCIAL DIALOGUE

International Labour Organization and eThekweni Municipality's Business Support Unit invites all role-players in the Informal Economy ((namely; informal traders, home-based workers, waste pickers and cardboard collectors, fisher people and minibus-taxi workers etc,)) within eThekweni Municipality areas to participate in the Social Dialogue.

The aim of these consultation meetings is to afford participants an opportunity to make contribution on the review of the Informal Economy Policy, also part of the purpose is to engage with entrepreneurs on how best to support them, and discussions from this Social Dialogue will form part of the Informal Economy Strategy, details thereof are as follows;
