

Notice of amendment to Contract WS.6084

In terms of the Municipal Finance Management Act Section 116(3) (a) and (b) notice is hereby given for the proposed amendment of Contract No. WS.6084.

The contract is for the supply and erection of light steel modular structures to inaccessible sites in informal settlements.

It was awarded on 29 September 2011 to Mathubeszwe, Umongo Investments (Pty) limited, Sixbar Trading 819 cc and Brainwave Projects 1726 cc.

The reason for the amendment is that the rapid roll-out of sanitation is an on-going programme of work and only when the initial investigations are completed is it possible to determine if site conditions require the construction of the light steel modular structures.

This amendment will only be in effect until the supply and erection of the light steel modular structures can be re-tendered.

The existing suppliers have the necessary resources and experience to deliver the required facilities at pace within the overall programme of work.

Additional contract value: R20 000 000.00 for completing this financial year.

Affected parties must submit representations not later than 01 November 2013 addressed to the City Manager, 6th Floor, City Engineers Building, 166 KE Masinga Road, Durban, 4001.
