

## NEW TRADER FACILITIES

Address: Durban CBD -Various Sites  
Ward: 28  
Client: Business Support  
Contract Period: Jun 2017- Sept 2017  
Contract Value: R1.3million

The brief called for the provision of trader facilities for the informal sector of street vendors.

The latest prototype design is an advancement from the previous models in that it has taken into account all the comments and concerns received from existing registered informal traders.

This facility will be rolled out to other parts of the CBD with the aim of eventually upgrading all the registered informal traders. This will assist with addressing the issue of illegal traders.
