The contract has expired during March 2020. The CBU had initiated a new contract during March 2019, however there has not been much progress in respect to the new contract. During the course of the contract, the work awarded to them resulted into criminal investigations. The criminal investigations are ongoing. Furthermore, due to their assistance currently provided to the Law Enforcement agencies as well as information available at their disposal, it makes more sense to allow them to deal with all the following criminal cases, as some refer to the same Unit and/or individuals.	City Integrity and Investigation
