LIBRARIES AND HERITAGE DEPARTMENT

ARTS AND LIVING CULTURE SECTION

Arts and Living Cultures:

Is the section fundamentally for the development of artists, artistic programmes in the form of performing art namely music, theatre drama, poetry etc. The office facilitates community programmes with the assistance from community organisations such as NPO's, cultural organisations and Art Centres within communities.

The main aim is to produce local entertainment for communities to experience, be inspired and embrace the diverse cultures that exist in eThekweni. It is also to ensure that the investment towards art brings about sustainable growth socially and economically in order to contribute to the nation's well-being and prosperity.
